

## Too Early to think about Fall Sports?

Thanks for opening our newsletter. I'm sure all of you are busy with spring sports but, have you considered what type of upgrades or updates you might need for the fall? If not, let us help. In this newsletter you will find a few product updates, some articles for your benefit and a question where the first person with the correct answer will win the book **"Build a Better Athlete" by Dr. Michael Yessis.**

This will be shipped to you free of charge. You will need to answer this question and include your name and shipping address - that's all you have to do. The person with the first correct answer will be the winner. Thanks again for reading!

Question:

**What country has competed the most times in the Summer Olympics yet hasn't won a gold medal?**

## Possible Fall Product Upgrades

ID panels are the perfect tool for building your school or team pride by showing off your mascot and logo. In addition, if one of your teams won a championship, it's a great way to honor them. ID panels can also provide a source of long term revenue. With the fans constantly returning their focus toward the scoreboard during a game, the area around the scoreboard display is prime real estate for advertising — an effective way for businesses to get their messages to customers while showing support for the local community. **Call Ed at 856-381-**

**8888 or e-mail to [ed@howelltosports.com](mailto:ed@howelltosports.com)** to discuss this option for your scoreboard. The make of your scoreboard does not matter and we will even install the panel.

If your old scorer's table is showing some wear, why not consider a new, fresh display? Our **backlit tables** come with a customizable backlit sign and has no digital aspect. We work with the school or business on creating and printing artwork, and then prepare for shipment. The sign can be replaced easily throughout the life of the table.

Windscreens are an affordable way to promote your brand, display upcoming games and events, and create privacy. The windscreen is commonly mounted on fences and is used to enclose tennis and pickleball courts, practice fields, batting cages, as well as, along baseball outfield fences. It is a great way to close off a field or work area from prying eyes and to separate fields or courts from commercial or residential areas. In addition, it helps provide security, eliminate distractions, and blocks unsightly views. We would

welcome the opportunity to discuss your windscreens, call **Ed at 856-381-8888** or e-mail to [ed@howelltosports.com](mailto:ed@howelltosports.com)
