

Weighted Baseball Close Out

Not so long ago Howell to Sports was in the weighted implement training business. We are no longer offering that service. So, we are offering the remainder of our **LEATHER** weighted baseball stock at a **GREATLY** reduced price. Please e-mail your offer to ed@howelltosports.com or call Ed at 856-381-8888. We accept PayPal or credit cards.

We will accept offers on one ball, as many as you want or the entire lot. The retail price of these balls is upwards of \$400. First come, first served and when we are out of stock we're done. Thanks for being a loyal HTS Newsletter reader!

**Kind regards,
Company / Team**
