

## Fall Sports are Upon Us

Hard to believe summer is almost over and it's time for school to begin. I'm sure you are ready for the fall but, just in case you overlooked something, **Howell to Sports** can help.

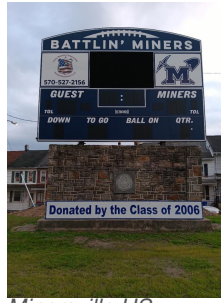

We can supply windscreens in 3 weeks (with logos and imprinting!), most equipment, such as hockey or soccer goals in 3 weeks and, if you need parts for your scoreboards, such as antennas, start/stop switches, new controllers or remotes, we can get them to you in less than 2 weeks.

What we cannot supply in time for your fall sports is scoreboards. Electro-Mech Scoreboards has had a banner year. That's good and bad. Good for us and not so good for you if you need a scoreboard quickly. Our current lead time is 10 weeks, probably not in time for your fall season. But, if you want a quality scoreboard at a fair price, **please call ED at 856-381-8888 or send an e-mail to [ed@howelltosports.com](mailto:ed@howelltosports.com)**. If you would like a list of schools/organizations that are using one of our scoreboards please e-mail Ed and we'll send it over.

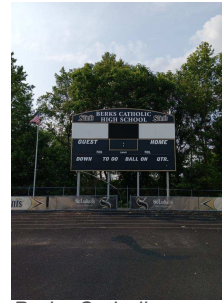

Please read on to see some of these products as well as additional products we offer. We also have some links for your review. Thanks for reading and enjoy the remainder of your summer!
